

# Buckaroo Obstacle

Hey Buckaroo Buddy, ready to show?  
Me and my llama are ready to go!

So what's the plan? Through Dry Gulch Pass,  
Or over the hills with lotsa green grass?

Git along little dogies, move 'em on out,  
Stick to the trail, there's danger about.

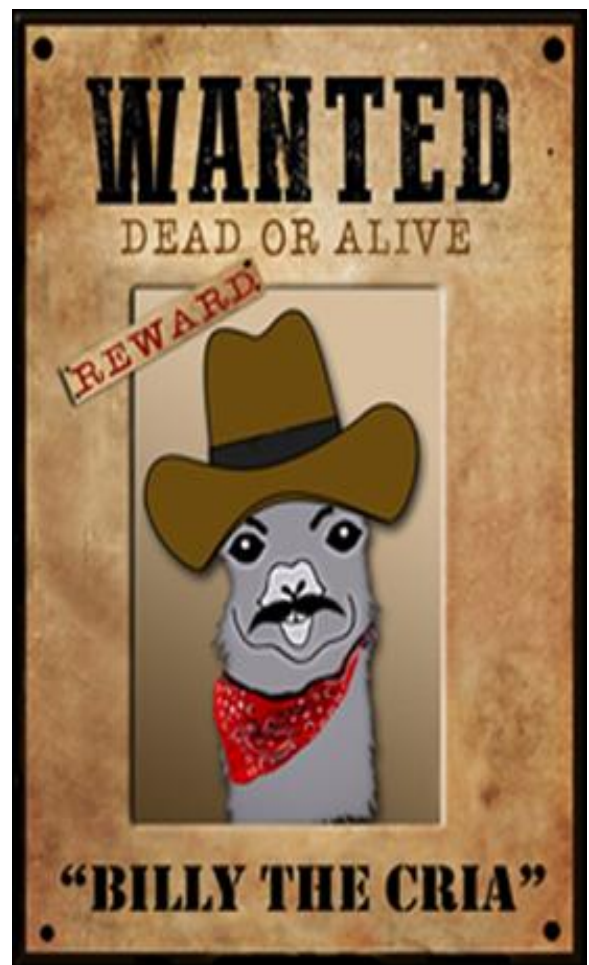

Outlaws and Injuns may be lurking around,  
Keep your ears open for dangerous sounds.

Circle the wagons if they come near,  
Be ready to roll and have no fears!

The day is long, we're all a bit weary,  
We're ready to camp, the nights are eerie.

Tomorrow will come and we'll be movin' along  
If you should meet us, we'll be singing this song!

Yippie -ki-yi, Ki-yi, Ki-yay!
