

Do - Si - Do Obstacle

Bow to your partner, hi to the show,
You and your llama are ready to go.

Do-si-do, go two by two,
Now walk 'em on home, like you always do.

Promenade, go round the course,
That's a llama, not a horse!

Your right foot up and left foot down
Hurry up there, or you'll never get around

Hay! Straw is cheaper, grass is free.
Llama eat it, why don't we?

Pull off your shoes, roll up your socks
Run those llamas till you rattle their hocks.

Promenade and give her a spin,
With any luck, we just might win!

Now tackle the bonus, you know where
Now take your partner to the easy chair.

This is our new Do-Si-Do Obstacle Course Challenge!
