

Do-Si-Do Obstacle

Llama Llama, says hi to the show,
He and his friend are ready to go.

Do-si-do, go two by two,
Now walk 'em on through, like you always do.

Llama Llama is now on the course,
Graceful and proud, he's not a horse!

Right foot up and left foot down
Hurry up there or you'll never get around

Llama Llama, tackles the jump,
Up and over, don't be a grump!

Keep on going, over the ramp,
That was great, you're really a champ!

Llama Llama, what a big grin,
With a lot of luck, we're sure to win!

Now tackle the bonus, you know where
Then take your friend to the easy chair.
