

Sponsorship Opportunities

The All American Youth Jamboree & Conference is the only national youth-only event held. It is open to all youth involved with llamas and alpacas, 4-H youth and show association youth members. In order to make this event affordable for all youth, it must be supported financially with sponsorships. All sponsor monies will go directly to the event. All committees and organizers are completely volunteers. We need your help to make this event a huge success and we offer you the following opportunities below. In return, we offer you advertising for your business, your farm, or product on our website, in our publications, booth space during the shows, and announcements during the show. Your help is greatly appreciated.
