

## Sponsorship Opportunities

*Your support for the youth of today is support for the future of the lama industry!*

The All American Youth Jamboree & Conference is a national event specifically for youth and lamas. Open to all youth involved with llamas and alpacas, 4-H youth and all show association youth members, this event offers a full weekend of showing, vet workshops, fiber seminars, team building, and leadership events.

Your support for the youth of today is the support for our leaders of tomorrow. We would appreciate your help to continue to make this event a huge success and we offer you the following opportunities to do so below. In return, we offer you advertising for your business, your farm, or product on our website, in our publications, booth space during the shows, and announcements during the show.
