

Weekend Workshops

The Event Where Everyone Is A Star!

Please sign up for your selected Workshops on the attached Workshop Entry Form below. This will help us estimate materials needed. However, you may change workshops during the weekend if you change your mind about which ones you would like to attend.

Performance Class Workshop:

3:00 – 4:30 OR 4:30 – 6:00 Friday afternoon. Brush up on the rules, and handler errors of all Performance Classes. What does it take to negotiate the obstacles in a smooth partnership with your animal? Obstacle courses must be done as a team – you and your animal. Discover training methods that will result in you and your animal becoming that winning team! Instruction, hints, and tips will be shared by experienced performance exhibitors. Questions and problems will be addressed.

Showmanship Class Workshop: “How To Stand Out In The Ring”

4:30 – 6:00 Friday afternoon. Conveniently scheduled before your actual weekend Showmanship Classes – how perfect is that! You know the basics. Now get the hints, tips, and finishing touches of what makes a showman and his animal really stand out in the class. Benefits not only pertain to the Youth Showmanship classes, but help you show and place your favorite animal in Halter classes. And, of course, there will be time for group discussion and questions.

Clicker Training Workshop: “Imagine What Your Llama Can Do!”

3:00 – 4:30 OR 4:30 – 6:00 Friday afternoon. Learn the basics and demonstrations of Clicker Training – a clear form of communication with positive reinforcement. Not only can you enjoy training your llama to do things you’ve never thought of, but it can be very helpful with some of those difficult tasks such as picking up a back foot. Tessa Savage will be our instructor along with her llama Dusty Dan.

Animal Health Seminars: “Keeping Your Animal Healthy & Comfortable”

3:30 – 5:00 Saturday afternoon. A healthy animal is one who is able to stand out in show classes and is happy to perform his duties. You are the caregiver for your animal – he depends on you to know his basic needs. These workshops will cover the some of the basics of animal care.

Vet Seminar A – Treating Wounds – How to clean and how to stitch a cut. Hands on – this workshop is not for anyone under 5th grade.

Vet Seminar B – See the progress of the growing cria with ultrasound.

Vet Seminar C – Keeping your Animals Healthy, How to Give Injections – SubQ & IM

Llama Fiber Workshops:

3:00 – 4:30 Friday and 4:30 – 6:00 Friday Love fiber and crafts? Your choice! Select one of our fiber workshops at one session and another at the next session. Or remain in one the

entire time. You also may return to additional Fiber Workshops on Saturday 3:30 – 5:00. All Fiber Workshops have a \$3.00 fee for all materials needed to complete a project.

Wet Felting: Learn the basics of wet felting and go home with a completed a project. Fee \$3.00. All materials supplied.

Needle Felting: Learn needlefelting techniques and discover the many creative opportunities this process provides. Select a project – all materials supplies. Fee \$3.00.

Spinning: Learn this skill of spinning carded fiber on either a wheel or with a drop spindle. Due to the availability of spinning wheels, spots may be limited, but drop spindles will be available. With perfected spinning skills, you open the door to many beautiful finished items or sales of your spun fiber. Fee \$3.00.

Crochet: Learn this fun and simple skill of creating gorgeous items from yarn using a simple hook. The workshop project will be a scarf – all materials provided. Fee \$3.00.

Don't Forget!!
